-----  
CANDIS is a new organization devoted to publicizing disarmament events and providing accurate information about the peace movement. We welcome any news that your group may care to pass along. And we will be happy to answer all questions with the most accurate information available to us. As funds become available, we hope to expand our calendar of events into a printed paper. Your donation will be gratefully received for this work, and as a church project, CANDIS has charitable status for tax purposes.
